

ASSEMBLY INSTRUCTIONS

K98CJD – Corn Head Adapter, Makes New Holland 98C into JD header

KOOIMA
COMPANY

1-800-522-8874

Thank you for your purchase of this Kooima Company product.

Your adapter will need to be attached to your corn head, per these instructions.

Please follow the enclosed instructions carefully to prepare your adapter for a successful and safe harvest.

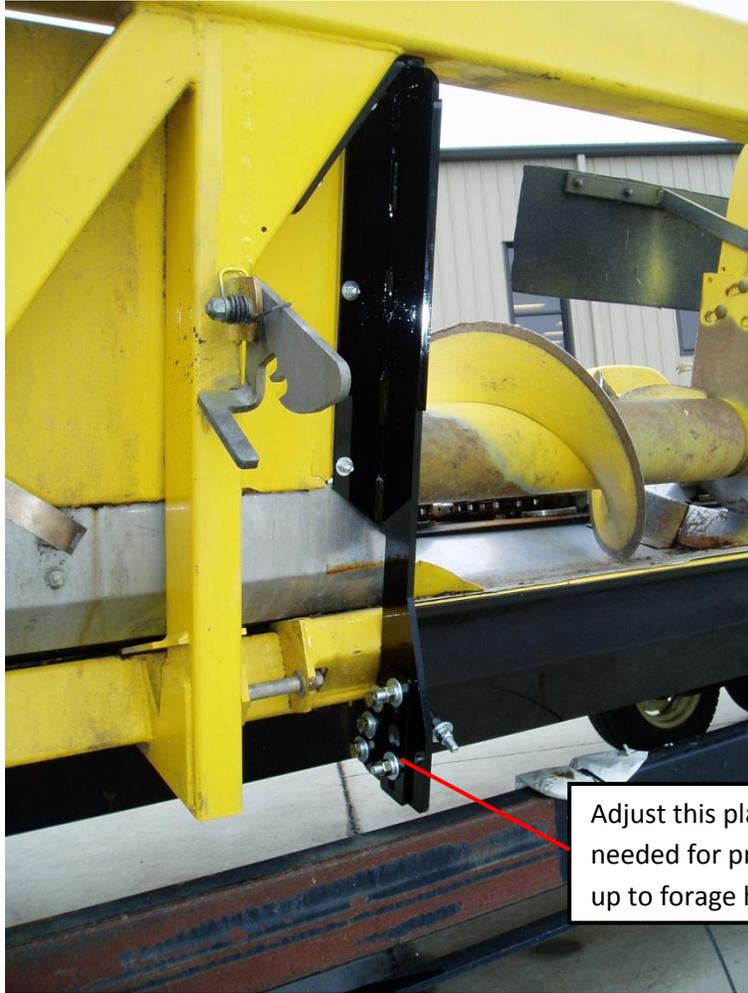

When fastening bolts, please torque each bolt according to the following table, unless otherwise specified:

Recommended Bolt Torque [ft-lb]		
Bolt Size	Grade 5	Grade 8
5/16"	13	18
3/8"	23	33
1/2"	57	80

Assemble everything loosely, then tighten all bolts after everything is in place.

The bottom two ½” bolts and washers should be installed as shown below.

Adjust this plate as needed for proper fit-up to forage harvester
